

PC WORLD

THE No1 TECHNOLOGY MAGAZINE IN THE WORLD

IN THE NOVEMBER ISSUE OF PC WORLD, OUT ON SALE!

Dear associates,

In the November issue of PC WORLD, coming out, October 24, 2005, we present you:

- Answers to **100 hot questions** regarding ADSL. Starting from broadband connections and the choice of the best service, all the way through the proper installation and its full utilization, you can read everything on ADSL in an all-inclusive feature.
- **35 necessary add-ons** for the most popular Internet browsers (IE and Firefox), aiming at the best navigation through the Net, and its best utilization.

Super Tests:

- We compare the newest **17" TFT monitors** and measure their response time using the most reliable methods.
- We evaluate the most affordable **DSLR digital cameras**.
- We compare **20 mainboards** of every category (ATX, microATX) for AMD processors.

Moreover, in the November issue of PC WORLD you will find the inserted Digital World magazine, where you can read a thorough comparative test on all **video projectors** of the Greek market, as well as a detailed guide on how to use Blackberry.

Along with this issue, you can find **FOR FREE:**

- A DVD-ROM with 9 full applications, €550 worth.
- A CD-ROM including the famous adventure mystery game "Alone in the Dark 4".

Thank you for your support!
PC WORLD, Technology advice you can trust!
