

PC WORLD

THE No1 TECHNOLOGY MAGAZINE IN THE WORLD

IN THE DECEMBER ISSUE OF PC WORLD, OUT ON SALE!

Dear associates,

In the December issue of PC WORLD, coming out on November 23, 2005:

- We present you, for **the first time in a Greek magazine**, the new Office 12 (Pre-Release version) in a multi-paged photo feature revealing in detail the next MS Office suite, due to be released in 2006.
- We analyze the hazards of personal data snatch from our computers, as well as all the ways to protect ourselves from **spyware** and **phishing**, the new kind of Internet fraud.

Super Tests:

- We compare **21 A4 inkjet printers and 22 MFD's**, and based on 12.000 lab measurements we provide our readers with all the necessary information, in order to make the best choice according to their personal preferences.
- We evaluate 33 Parallel and Serial ATA **internal hard disks**.

Moreover, in the December issue of PC WORLD you will find the inserted **Digital World** magazine, where you can read a thorough comparative test on the Greek market's **flat TV's**, as well as a detailed guide on how to transfer video to the new **Sony PSP** game console.

Along with this issue, you can find **FOR FREE:**

- A DVD-ROM with 6 full applications, €300 worth, as well as the latest Greek (Live) Linux distribution, Knoppel 0.6.
- A DVD-ROM including the famous space game "Edge of Chaos: Independence War II".

& Telephony card, €7 worth
Big contest with prizes of €17.000 worth

Thank you for your support!

PC WORLD, Technology advice you can trust!

PC WORLD is published by **International Data Group (IDG)** in 50 countries all over the world, while every month its readers top 35 million people. It is the biggest technology magazine in the world, with 22 years of leadership. The Greek Edition of **PC WORLD** is published by **IT Publications Hellas Ltd.** and is totally tailored to the Greek reality. It gives the full picture of the local market and shows Greek users the secrets of technology use. Along with **PC WORLD** you will find the inserted **Digital World** magazine, a publication going over technology from a lifestyle point of view, and with a more human dimension.
