

## PRESS RELEASE

### +OFFER!

A music card for you to download, for free, 5 songs of your choice from your favorite Greek artists, through [www.mpGreek.gr](http://www.mpGreek.gr).

Dear associates,

In the December issue of Computer Active, coming out today, Thursday, December 1:

- Better PC in 5': Problems arising from your PC can possibly cause stress, but in their majority they can be resolved with little effort and know-how.
- Get familiar with MS Word (Part 2). In the second part of our feature on MS Word we are showing you how to exploit Word's advanced features, in order to produce documents with professional touch, without extra cost.
- Exploit your photos. Release your creativity and convert your digital photos in ecards, calendars and brochures.
- Change Windows Media Player. We searched and found for you the best skins, so that you can completely change Windows Media Player.
- Radio through the Web. Thanks to streaming technology you can listen to online radio from your PC. Find out how!

**In Mobile Active:**

Send and receive emails from your mobile phone!

**Moreover, read in this issue:**

Our permanent columns, just like every month, with up-to-date reviews in New Products, 25 pages with useful advice and tips in the Step-by-Step section, the best games in the Games section, as well as December's hottest new mobile phone reviews.

**& Big contest with prizes of €17.000 worth**
