IN THE JANUARY ISSUE OF PC WORLD, OUT ON SALE!

Dear associates,

In the January issue of PC WORLD, coming out on December 20, 2005:

- For the first time in Greece "Mystery Shopping". A revealing reportage on technology product stores in our country. Acting as if we were clients we tested -based on strict criteria- the prices, the soundness of products, the services provided, the technical expertise as well as the service in 7 central stores of Attica.
- We spent a whole week inside the house, doing everything through the Internet. All services and sites of the Greek domain that you need in order to survive using the Internet.

Super Tests:

- We compare 30 notebooks of every category.
- We evaluate 19 high-end graphics cards (more than €300 worth).
- We test 4 desktop PC's with dual core processors and 12 DVD Recorders able to write dual layer disks.

Moreover, in the January issue of PC WORLD you will find the inserted Digital World magazine, where you can read thorough reviews of the Top 50 gadgets for the year 2006.

Along with this issue, you can find FOR FREE:

- A DVD-ROM with 5 full applications, €345 worth.
- A CD-ROM including the winter version of the most famous tourist guide "Greek Tourist Organizer".
- A CD-ROM with the thrilling simulator of fighting helicopters "KA-52 Team Alligator".

OFFER a music card, provided by mpGreek.gr, for you to download 5 favorite songs.

&

Big contest "PLAY & WIN IT" with prizes of **€20.000** worth

Thank you for your support!

PC WORLD, Technology advice you can trust!

PC WORLD is published by International Data Group (IDG) in 50 countries all over the world, while every month its readers top 35 million people. It is the biggest technology magazine in the world, with 22 years of leadership. The Greek Edition of PC WORLD is published by IT Publications Hellas Ltd. and is totally tailored to the Greek reality. It gives the full picture of the local market and shows Greek users the secrets of technology use. Along with PC WORLD you will find the inserted Digital World magazine, a publication going over technology from a lifestyle point of view, and with a more human dimension.
