

The January issue of Computer Active comes out offering a CD-ROM!

Dear associates,

In the January issue of Computer Active, coming out today, Thursday, December 22:

### THE 30 BEST HI-TECH GIFTS

30 suggestions for the best tech gifts with style and personal touch that you can give to your dear persons and even to yourself.

### Time to play!

Enrich your games collection in a completely legal way, and for free.

### Protect your documents

Use the right tools to protect your documents from intrusive people, that are already included in most applications, or are simply available for free in the Internet.

### In Mobile Active:

Send and receive emails from your mobile phone.

### & CD-ROM

### PROTECT YOUR CHILDREN AT THE INTERNET - FREE FULL APPLICATION, €40 WORTH

Computer Active, in collaboration with a scientific team of EKEFE "Demokritos", is offering you for free FilterX, a program-tool to smartly prevent access to pornographic content in the Web.

Inside the CD-ROM you will also find:

- FULL APPLICATIONS
- TRIAL PROGRAM VERSIONS
- COLLECTION: FREE MP3 TOOLS
- SURVIVAL TOOLKIT

& GAME DEMO: HARRY POTTER and the Goblet of Fire

& Big contest "Play & Win It" with prizes of €20.000 worth
